INCLUDE THE FOLLOWING REQUIRED DOCUMENTS WITH YOUR APPLICATION

The following documents are included in the **fourteen-item final check list** on page four of the Application Form.

If applying by mail: include with your Application Form. **If applying on-line:** upload according to on-line instructions:

- Two Letters of Recommendation** (page 2 of application) Letters from two individuals (teachers, coach, club leader, pastor, etc.) NOT related to you, attesting to (a) your aptitude for the course of study you intend to pursue, and (b) your character, including moral principles and citizenship.
- Your high school transcript** (page 2 of application)
Your transcript for the last high school you attended in Klamath County.
- Your **college transcript(s)** (if applicable) or proof of request of transcript for each college attended, up to and including your most recently completed term prior to April 1st.
- Results from an ACT or SAT test** (page 2 of application). These results may be posted on your high school transcript. Check to make sure or submit a copy of the actual test results. If you are applying for a VOCATIONAL SCHOLARSHIP AWARD OR ATTENDING COMMUNITY COLLEGE, you do NOT need the results of an ACT or SAT test.
- A one-page composition.** It must be your original thought and can be either typed or handwritten in black ink, either cursive or printed. The subject of this paper is **“What do you believe will be the key components to your future success?”** You are cautioned not to take this requirement lightly, as it will enter into the consideration process for selection of awardees.
- A copy of **ALL** pages of your **FAFSA Determination** (FAFSA stands for Free Application for Federal Student Aid) or **SAR** (Student Aid Report). (page 4 of application) The FAFSA is used to apply for federal student financial aid and is available at any college Financial Aid Office. Once you have completed a FAFSA and mailed it to the processor, the U.S. Department of Education will mail back to you a determination, which is referred to as your SAR. It takes at least four weeks to receive a SAR after the processor receives your FAFSA form. Your scholarship application will be considered incomplete without a copy of the SAR attached.
- A copy of your **Award letter** from the college you will attend (page 4 of application), listing the financial aid they are offering you which is referred to as your financial aid package. This letter is usually generated by the college after you have sent them your SAR. It may or may not be sent to you by our April 1st deadline. If you have not received an Award letter by April 1, please submit a copy of it as soon as you receive it.
